IMPORTANT CUSTOMER NOTICE

Effective December 8, 2007, the FCC implemented new rules to protect the privacy of information contained in your account with The Arthur Mutual Telephone Company/artelcom Communications. The new rules allow us to discuss account information only with the person(s) listed on the account. Also, we must be able to authenticate that person and will do that by asking a specific question to which you have previously provided us the answer.

Although we have always treated your account information with confidentiality, please help us in our effort to further ensure that we protect the information, by completing the following:

Verbal Password:

Question for authentication #1: What was your first car?

Question for authentication #2: What is your Mother's maiden name?

Question for authentication #3: What is the name of your favorite pet?

Question for authentication #4: What is your best friend's name?

Question for authentication #5: What place would you most like to visit?

If your account is listed only in your name, you might want to consider adding another name, if appropriate, e.g., a spouse or a roommate. If you are a parent or individual that relies on someone else to discuss account changes, payments or anything else with our company, you will need to have that person's name added to your account. The name does not need to be added to the billing name but can be added to our records as an authorized person for discussing information and making changes to your account.
