

To whom it may concern,

Arthur Mutual Telephone pays out capital credits to all its members past and present, based on when they had service. If we have trouble locating a previous member, we put that person's name on our company websites "lost list". If someone recognizes a name on our "lost list", it is our hope that person contacts us or the individual directly so we can get their current address, verify their past service, and pay them any Capital Credits owed them.

If you received this letter it means we may owe you capital credits from past payouts. Please answer the following questions so we can verify the account in question did belong to you.
